Guidance on the conduct of the assessment

- The tasks are designed to be completed during normal class time but must be taken under supervised conditions. This means that all tasks must be completed with the tutor/assessor, or other designated supervisor, present.

- Tutors must not teach to the actual assessment tasks, but candidates should be familiar with the format of each task and will have practised speaking and listening in a range of contexts appropriate to the level. By the time they are assessed, candidates should be aware of the skills that are being assessed and the success criteria.

- This assessment is composed of three tasks. Candidates must complete all three tasks. They may be done in any order.

- Centres wishing to contextualise the tasks should refer to the guidance in the qualification specification and to the separate guidance on contextualisation that is available to download from the Prism online system (secure login required)

- Candidates do not have to complete all the tasks in a single session, but they must complete them under supervision and are not permitted to take them away.

- Candidates should be briefed on the task/tasks to be completed. Task 1 focuses on listening skills and Tasks 2 and 3 on speaking and listening skills.

- Candidates may be assisted with aspects that are not being assessed (e.g. the assessor may tell the candidate what to do if they cannot read the written instructions adequately). Candidates may give their responses to the listening task verbally and the tutor/assessor may scribe the answer as these tasks assess listening and not writing. Tutors/assessors should also refer to the guidance on special arrangements and reasonable adjustments in the qualification specification.

- Candidates must be allowed to complete the tasks independently without any further support according to the guide time allowed.

- To achieve the speaking and listening unit candidates must achieve the pass mark for listening Task 1 and the combined pass mark for Tasks 2 and 3, as indicated below.
Task 1

Instructions

(Tutors may read these instructions to candidates)

• Use a pen.

• You have 30 minutes to complete Task 1.

• Some questions must be answered with one tick in a box ✓. If you change your mind about an answer, put a line through the box ✓ and then mark your new answer with a tick ✓.

Information

• Task 1 has 12 marks.

Advice

• Read each question carefully before you start to answer it.

• Try to answer every question.

• Check your answers if you have time at the end.
Task 1 – Listening

- Task 1 will focus on listening to and extracting key information from short spoken sources and demonstrating comprehension skills.

- You will be provided with a sound file of a recording. If centres are unable to access the sound file, they may record their own but the voice on the recording must not be that of the candidate’s tutor.

- Candidates should be encouraged to read the questions before the recordings are played.

- Each extract will be played three times. You should pause the recording after each playing to allow candidates time to respond to the questions.

- The time allowed for this assessment is 30 minutes.

Tasks 2 and 3 – Speaking and Listening

- For Tasks 2 and 3 candidates will be given preparation time of five minutes per task on the day of the test. They may make short notes. These should be in the form of bullet points and must not include full sentences. Candidates may take the notes into the test with them and the notes must be handed to the tutor at the end of the assessment. The notes must be stored with all other candidate work for review by internal quality assurance staff and by Gateway Qualifications external assessors.

- When carrying out assessment work with candidates working in pairs or groups, assessors must ensure that they assess individual performance. Candidates should announce their name before speaking for the first time for ease of identification. There may be occasions when the weaker performance of other candidates within a group may adversely affect another candidate’s ability to meet the assessment criteria. If this is the case, the assessor will need to intervene to ensure fairness of assessment opportunity. Assessors should also ensure that where candidates need to ask questions or respond to questions all candidates get similar opportunities whatever the size of the group.

- A sample of assessments of Tasks 2 and 3 must be audio recorded, please refer to Section 4.9 conduct of speaking and listening assessments in the qualification specification available to download on the Gateway Qualifications website. On the recording, each activity must be preceded by the following:
  - name of the candidate(s)
  - candidate ID
  - name of the assessor
  - level of assessment
  - number of task
  - topic (where appropriate)
  - date task undertaken

- Candidates will complete this task in a small group with between two to five people.
- Each candidate has five minutes to prepare on their own before talking.
- Candidates will take it in turns to be assessed with approximately five minutes allowed for each candidate.
- The tutor should monitor the interchange to help ensure that the candidate being assessed is not unfairly penalised by the performance of other candidates and should intervene if necessary to ensure fairness of assessment opportunity.
- You should give the candidates being assessed the candidate instructions.
- During the preparation time candidates may make brief notes using the space provided on the candidate card. These must not be in full sentences.
- They must give the instructions with the notes to the tutor after completing the task.
Task 2 - Individual Speaking Activity

Candidate Instructions:

- You will complete this task with one or more people
