Guidance on conduct of the assessment

- The tasks are designed to be completed during normal class time but must be taken under supervised conditions. This means that all tasks must be completed with the tutor/assessor, or other designated supervisor, present.
- Tutors must not teach to the actual assessment tasks, but candidates should be familiar with the format of each task and will have practised speaking and listening in a range of contexts appropriate to the level. By the time they are assessed, candidates should be aware of the skills that are being assessed and the success criteria.
- This assessment is composed of three tasks.
- Centres wishing to contextualise the Tasks 2 and 3 should refer to the guidance in the qualification specification and to the separate guidance on contextualisation that is available to download from the Prism online system (secure login required). Task 1 must not be amended.
- Candidates do not have to complete all the tasks in a single session, but must not take them away with them to work on.
- Candidates must complete all three tasks. They may be done in any order.
- Candidates should be briefed on the task/tasks to be completed. Task 1 focuses on listening skills and Tasks 2 and 3 on speaking and listening skills.
- Candidates may be assisted with aspects that are not being assessed. Tutors/assessors should refer to the guidance on special arrangements and reasonable adjustments in the qualification specification.
- Candidates must be allowed to complete the tasks independently without any further support according to the guide time allowed.
- To achieve the speaking and listening unit candidates must achieve the pass mark for the listening Task 1 and the combined pass mark for Tasks 2 and 3, as indicated below.
Task 1

Questions 8 to 13
You are listening to a local radio discussion between DJ Paul Jones and his guest Jane Jetson about food banks.

<table>
<thead>
<tr>
<th>Male voice</th>
<th>We are talking to Jane Jetson about the food bank that opened in our town last month. Jane, can you tell me more about the food bank and who can use it?</th>
</tr>
</thead>
<tbody>
<tr>
<td>Female voice</td>
<td>Well, Paul, we opened the food bank at the beginning of May in response to the increasing number of people in the area who are struggling to ensure that there is food on the table. Many of the bags of food are used to feed children. Around a third of people using food banks in 2013-14 were children.</td>
</tr>
<tr>
<td>Male voice</td>
<td>So what are the real reasons people do not have money for food? Is it just that people don’t have a job?</td>
</tr>
<tr>
<td>Female voice</td>
<td>Rising food and fuel prices, low incomes, unemployment and changes to benefits are some of the reasons why increasing numbers are being referred to food banks for emergency food, Paul. The need for help from a food bank is becoming a very real problem, even among people who are working. Everyone can help, just by donating some food at the local supermarkets. We need dried or tinned food such as soup, biscuits, pasta, jam or cereal. Each person who is entitled to food can have three days’ worth of food. We also welcome volunteers who can help to distribute the food.</td>
</tr>
<tr>
<td>Male voice</td>
<td>Hopefully our listeners will help you reach more people and also give food if they can. Jane, I do hope that you will get the support you need. Good luck!</td>
</tr>

Tasks 2 and 3 – Speaking and Listening

- For tasks 2 and 3 candidates will be given preparation time of 10 minutes per task on the day of the test. They may make short notes. These should be in the form of bullet points and must not include full sentences. Candidates may take the notes into the test with them and the notes must be handed to the tutor at the end of the assessment. The notes must be stored with all other candidate work for review by internal quality assurance staff and by Gateway Qualifications external assessors.

- When carrying out assessment with candidates working in pairs or groups assessors must ensure that they assess individual performance. Candidates being recorded should announce their name before speaking for the first time for ease of identification. There may be occasions when the weaker performance of other candidates within a group may adversely affect another candidate’s ability to meet the assessment criteria. If this is the case, the assessor will need to intervene to ensure fairness of assessment opportunity.

- A sample of assessments of Tasks 2 and 3 must be audio recorded, please refer to Section 4.9 conduct of speaking and listening assessments in the qualification specification available to download on the Gateway Qualifications website. On the recording, each activity must be preceded by the following:
  - name of the candidate(s)
  - candidate Id(s)
  - name of the assessor
  - level of assessment
  - number of task
  - topic (where appropriate)
  - date task undertaken
Task 2 - Individual Speaking Activity

- The approximate duration of the task is 10-25 minutes depending upon the number of candidates in the group.
- Candidates will complete this task in a small group with between 2 to 5 people.
- Each candidate has 10 minutes to prepare on their own before talking. The duration of the activity will depend upon the number of candidates being assessed but should not be more than 5 minutes per candidate.
- Candidates being assessed should be given the candidate instructions.
- During the preparation time candidates may make brief notes using the space provided on the candidate instructions. These must not be in full sentences. They must hand in their notes when they have completed the task.
- The tutor/assessor should monitor the interchange to help ensure that the candidate being assessed is not unfairly penalised by the performance of other candidates and should intervene if necessary to ensure fairness of assessment opportunity.
- The assessor should also ensure that all candidates get sufficient opportunities to respond to questions regardless of the number in the group. Assessors may decide in advance which members of the group will ask questions of a particular candidate.
Task 2 - Individual Speaking Activity

Candidates will complete this task in a small group of between two to five people.

**Topic:**

There are planned cuts to English classes in your local area. The two options being discussed are:

Option 1: run shorter courses so that learners come to class for 30 hours instead of 60 hours per year

Option 2: keep the 60-hour courses but cut the number of courses being offered, so fewer learners get to take an English course.

You decide to attend a meeting to find out more and give your views.

**Candidate instructions**

- You will give a short presentation for about two minutes to your group giving your views on the problem.
- You have 10 minutes to prepare your presentation.
- You should present your views in a formal and logical way.
- You may make notes or use bullet points, but not full sentences.
- Do not read out what you want to say.
- Hand in any notes you have made when you have completed the task.
- Following your presentation members of the group will ask questions for you to respond to.

**Instructions for group**

- You will listen to other presenters.
- You may note the main points from their presentation.
- You will need to prepare to ask each presenter a question.
- You must ask each presenter a different question in a formal way.
