1. Qualification Information

1.1 About the qualifications

The qualifications have been approved by the Office of Qualifications and Examinations Regulation (Ofqual) that regulates qualifications, examinations and assessments in England.

These qualifications are intended to equip learners with the underpinning knowledge and skills specific to the travel and tourism sector together with transferable employability skills. They are designed to support progression to further learning and ultimately to work in travel and tourism or other related sectors.

The Skills for Travel and Tourism qualifications form part of a suite of 'Skills for...' qualifications that cover a number of sectors and are available at Entry 3, Level 1 and Level 2. The employability skills units are common across the suite, enabling easy transfer of credits between qualifications and supporting opportunities for cross-faculty working.

The qualifications have been developed with the support of a number of further education colleges, training providers and adult and community learning providers. They have been designed to be consistent with the principles for study programmes for 16-19 year olds but are also relevant, particularly in the case of the smaller qualifications, for adults including the unemployed.

1.2 Objective

The Gateway Qualifications suite of Level 2 Skills for Travel and Tourism qualifications will enable learners to develop the knowledge, understanding and skills to aid progression to further study in Travel and Tourism or a related area or to enter the workplace in an entry-level role.

They will enable learners to enhance their English and mathematical competence in relevant, applied scenarios and support learners development of transferable interpersonal and employability skills.

1.3 Key Facts

Qualification Title in full	Credit Value	Total Qualification Time	Guided Learning Hours
Gateway Qualifications Level 2 Award In Skills for the Travel and Tourism Sector	6	60	48
Gateway Qualifications Level 2 Certificate In Skills for the Travel and Tourism Sector	15	150	120
Gateway Qualifications Level 2 Extended Certificate in Skills for the Travel and Tourism Sector	25	250	201
Gateway Qualifications Level 2 Diploma In Skills for the Travel and Tourism Sector	39	390	309

Total Qualification Time is the number of notional hours which represents an estimate of the total amount of time that could be reasonably expected to be required for a Learner to achieve and demonstrate the achievement of the level of attainment necessary for the award of the qualification.

Total Qualification Time is comprised of the following two elements:

- the number of hours which an awarding organisation has assigned to a qualification for Guided Learning, and
- an estimate of the number of hours a Learner will reasonably be likely to spend in preparation, study or any other form of participation in education or training, including assessment, which takes place by – but, unlike Guided Learning, not under the Immediate Guidance or Supervision of – a lecturer, supervisor, tutor or other appropriate provider of education or training.

1.4 Funding

For information regarding potential sources of funding please visit the following websites;

The Education Funding Agency <http://www.education.gov.uk/aboutdfe/executiveagencies/efa>

1.5 Achievement methodology

The qualification will be awarded to learners who achieve an approved combination of units through a Portfolio of Evidence that has been successfully verified and monitored through Gateway Qualifications' Quality Assurance process. Achievement is therefore determined by successful completion of unit assessment with no further requirement for additional/summative assessment.

1.6 Geographical Coverage

The qualifications have been approved by Ofqual to be offered in England.

1.7 Progression Opportunities

These qualifications are designed to enable progression into further learning at the same level (e.g. from an award to a certificate) or to further learning at a higher level. 3.2 Recognition of Prior Learning (RPL)

Recognition of prior learning is a process that considers if a learner can meet the specified assessment requirements through knowledge, understanding or skills that they already possess and that can contribute towards the attainment of a qualification for which they are undertaking.

Where Recognition of Prior Learning is permitted then the evidence must be mapped against the criteria for which it is being claimed for and be valid, authentic, sufficient, reliable, valid and current.

A maximum of 70% of a qualification can be achieved through the process of Recognition of Prior Learning, with at least 30% gained through new learning.

The process for claiming RPL is set out in the Gateway Qualifications' policy on Recognition of Prior Learning.

3.3 Links to other qualifications

The level 2 qualifications in Skills for Travel and Tourism form part of a suite 'Skills for...' qualifications in a number of sectors and across Entry 3, Level 1 and Level 2. Many of the employability skills units are common across the suite and also appear within Gateway Qualifications' qualifications in Employability Skills. Some of the employability skills units also make up the Gateway Qualifications Personal, Learning and Thinking Skills qualifications that are available at Entry 3, Level 1 and Level 2.
