## **Claiming Results**

This guide is to support centres submitting claims for learners who are expecting to receive results in summer 2020 where a centre has adapted or is providing a centre assessed grade (CAG).

When completing the claims process, centres should reference all evidence that will support the claim and that is held by the centre. Please refer to our <u>Supporting</u> <u>Guidance: Exceptional arrangements for assessment and grading in Summer 2020</u> which details the evidence criteria references for different qualification groupings.

## Submitting results using an RAC

Centres who submit results using RACs please follow the steps below:

Generate your RAC in the usual way via the Cohort page.

Units being claimed under ERF (Calculated or Adapted), select '**Achieved (ERF)**' from the dropdown beneath the applicable unit.

The calculated assessment grade (CAG) is entered by completing the free text box indicating the evidence type used to evidence achievement of the unit(s) against each learner e.g. 2a, 3a etc. For adaptations, detail '**Adapted**' in the evidence type column.

For units withType 1 evidence only, please select 'Achieved' in the grade drop down.

For units being claimed under the adapt mitigation, please state '**Adapted**' in the evidence field.
