

Downloading Access to HE Unit Support Materials

Support materials available

Teaching and Learning content is now available across a wide range of units and is provided in a format that can be easily uploaded into centre VLE and online learning platforms.

To meet the needs of both learners and tutors, all content is provided in Microsoft Word format with embedded links to video content and much more. The support materials can be used in a variety of ways to support delivery, for instance the whole unit booklet could be provided to learners to support their knowledge and understanding whilst studying at home or as a revision guide, or tutors may wish to divide the document to create presentations to support online lectures.

There is one booklet per unit which are free to download to approved Access to HE centres.
