Guidance on the conduct of the assessment

- The tasks are designed to be completed during normal class time but must be taken under supervised conditions. This means that all tasks must be completed with the tutor/assessor, or other designated supervisor, present.
- Tutors must not teach to the actual assessment tasks, but candidates should be familiar with the format of each task and will have practised speaking and listening in a range of contexts appropriate to the level. By the time they are assessed, candidates should be aware of the skills that are being assessed and the success criteria.
- This assessment is composed of three tasks. Candidates must complete all three tasks. They may be done in any order.
- Centres wishing to contextualise the tasks should refer to the guidance in the qualification specification and to the separate guidance on contextualisation that is available to download from the Prism online system (secure login required).
- Candidates do not have to complete all the tasks in a single session, but they must complete them under supervision and are not permitted to take them away.
- Candidates should be briefed on the task/tasks to be completed. Task 1 focuses on listening skills and Tasks 2 and 3 on speaking and listening skills.
- Candidates may be assisted with aspects that are not being assessed (e.g. the assessor may tell the candidate what to do if they cannot read the written instructions adequately). Candidates may give their responses to the listening task verbally and the tutor/assessor may scribe the answer as these tasks assess listening and not writing. Tutors/assessors should also refer to the guidance on special arrangements and reasonable adjustments in the qualification specification.
- Candidates must be allowed to complete the tasks independently without any further support according to the guide time allowed.
- To achieve the speaking and listening unit candidates must achieve the pass mark for listening Task 1 and the combined pass mark for Tasks 2 and 3, as indicated below.

The notes must be stored with all other candidate work for review by internal quality assurance staff and by Gateway Qualifications external assessors.
- When carrying out assessment work with candidates working in pairs or groups, assessors must ensure that they assess individual performance. There may be occasions when the weaker performance of other candidates within a group may adversely affect another candidate's ability to meet the assessment criteria. If this is the case, the assessor will need to intervene to ensure fairness of assessment opportunity. Assessors should also ensure that where candidates need to ask questions or respond to questions all candidates get similar opportunities whatever the size of the group.
