Health/Social Care Project
6 Credits | 48 GLH

The project unit provides the flexibility to cover significant content of the national technical outcomes. It can be embedded into learning enabling learners to develop the behaviours and study skills needed for progression to Level 3. The project unit can also be tailored to local employer needs, providing pathways to apprenticeships or employment.

Progression routes to...

Further Study

T Levels

Apprenticeship

Employment

This leaflet illustrates how you can use our Health and Care qualification as the core aim in a 16-19 study programme.

The pathways shown are suggestions based on our experience and that of providers using these qualifications. You can develop other pathways to meet the local, regional and national employer needs relevant to your learners using the units shown below.

If you'd like a free of charge, no-obligation meeting to discuss your particular needs and how you can tackle your specific challenges, call our Business Development team on 01206 911 211 to arrange a suitable time.

Gateway Qualifications Level 2 Diploma in Health and Care
