## Adult funding information for 2024/2025 at your fingertips

Posted on February 28th 2024

Find the adult funding information you need to plan your curriculum for the next academic year 2024/2025.

Our easy-to-use spreadsheet contains comprehensive funding information for all our qualifications, including Access to HE Diplomas that will be funded nationally for the next academic year.

For those who are delivering to adult learner residents in devolved areas, there is also a tab identifying additional qualifications that may gain funding approval by devolved regions.
