FUNDED ESOL AND FOUNDATION ENTRY LEVEL PATHWAYS FOR WORK AND LIFE

This leaflet illustrates a variety of ways that you can help your ESOL and Foundation learners achieve their full potential using funded options to complement your core curriculum.

The pathways shown are suggestions based on our experience and that of providers using these qualifications, to provide inclusive tailored provision to help all learners succeed – you can develop other support pathways relevant to your learners using the qualifications and units listed overleaf.

Each qualification featured is available at multiple levels and sizes, with a wide variety of units to support the diverse nature of ESOL and Foundation learners.

INCLUSIVE ENTRY LEVEL QUALIFICATIONS AND UNITS

The qualifications and units used within the pathways are taken from our Personal and Social Skills and Preparation for Employment suites to support ESOL and Foundation Learning wraparound. For a comprehensive list, including details on rules of combination and barred units, please refer to the relevant qualification specifications. You can access these by scanning the QR codes provided. Not all qualifications and units are available at all levels.
