A message from our Chief Executive Officer

Welcome to Gateway Qualifications

Our vision is 'to be the awarding organisation of choice, supporting learners and apprentices through their gateway to success'.

We do this by creating the highest quality products and services that are accessible to all learners and apprentices and that meet the needs of all types of providers.

Our expert teams have been supporting providers and supporting learner success for more than 30 years. Over that time, we have constantly evolved to remain responsive to our customer requirements and the changing demands of the learning and skills sector.

Our own success is supported by our genuine desire to provide the best service possible, through sharing our expert knowledge and sector experience, and by building strong working relationships with centres and partners.

If you work hard to be the best in your field and thrive on working as part of a team, we would like to hear from you.

It is only through our people we can continue our success story. We look forward to meeting you.

Working at Gateway Qualifications

We are both a business and a charity, united by a mission to support our centres and empower education across the UK.

Our leadership team and Board of Trustees is deeply committed to our educational and charitable goals, ensuring everything we do is driven by purpose and impact.

We take pride in our customer-focused approach, collaborating with schools, colleges, charities, and learning providers nationwide to deliver meaningful outcomes.

Our team is made up of 70+ core staff, supported by a wider network of consultants and associates (our wider workforce), bringing our total workforce to around 200 dedicated professionals.

Our Benefits

Salary: We all like to feel we are fairly rewarded for our hard work. At Gateway Qualifications equality and fairness are a core part of our HR strategy. We have an open and transparent pay scale model that rewards staff through a 6 point pay scale.

You will be able to progress through the scales based on achieving your objectives and contributing to a successful organisation. The scales are regularly benchmarked, and we believe we pay competitive salaries. We are happy to talk through any queries about the pay as we like to attract the best candidates.

Pension: We offer a fantastic pension scheme. You can pay into the University Superannuation Scheme which is a defined benefit scheme where your pension will be based on your career average salary. Feel free to ask more about this later in the recruitment process.

Annual Bonus: We like to share our success with our staff. If the business is thriving and we achieve our targets, then the Board has the discretion to award all employees with a lump sum bonus. The amount changes from year to year but it means everyone benefits in our team success.

Homeworker Allowance: All employees that work remotely receive a monthly Home Worker Allowance as a contribution towards the costs of utilities.

Working Hours: Our full-time working week is 35 hours. This is a great benefit, but we do sometimes ask for flexibility. This may mean working more hours when we need it and then taking a bit of time off another day with your manager's agreement. We don't do clock watching or filling out timesheets. We trust our staff to do the right thing.

Flexible Working: Our core office opening hours are 8.30am to 5.30pm and we have flexible start and finish times within these hours depending on your job role. We understand that things can change, or you may have the occasional appointment during work hours, and we are happy to accommodate this with your manager's approval.

Holidays: We offer a generous holiday entitlement of 30 days leave plus Bank Holidays. We also close between Christmas and New Year. If you work part-time this is pro-rata.

Supporting You: You'll have regular monthly one-to-one meetings with your manager and quarterly reviews where objectives will be set.

Continuing Professional Development (CPD): We encourage all staff to continue to learn and grow in their careers and we also encourage personal development. All staff are given individual LinkedIn Learning licences, which provides access to thousands of general and specialised learning opportunities.

Communication and Get Togethers: We know how important it is to keep everyone up to date with what's happening across the organisation and sector, while working

remotely. Therefore, we have weekly Thursday Training for all staff where key priorities and learnings are shared and monthly Newsletters for general news and updates.

Working from home can sometimes feel a little removed, so we also manage to squeeze in regular virtual team socials, and we also get together for staff days out. As well as learning new skills these days out of the office are great fun. Previous staff days have included treasure quests, getting creative with power tools, and feeding giraffes and elephants!

Technology & Equipment: We provide all our staff with the necessary technology and equipment for their job role. Staff are required to ensure their home working environment is suitable with an appropriate desk and chair, a reliable, high speed internet connection, and a quiet place to work.

Sick Pay: Although we hope you don't need to use it, it is reassuring to know that if you need to be off work due to a major illness then we are able to support you with a generous sick pay scheme. The benefit increases with service up to 6 months' full pay and 6 months' half pay.

Wellbeing Benefits: We have partnered with some amazing health providers, to ensure that our staff (on completion of probation) have access to 24/7 wellbeing benefits. These include an Employee Assistance Programme (EAP) and Health Cash Plan.
